Re: Proposed Development at Glinsk, Co - Mayo.

To whom it may concern,

Ballina Chamber fully supports the proposed development of an energy storage facility by Organic Power at Glinsk, Co Mayo.

Job creation and Enterprise development in the energy sector is one of the main economic opportunities currently available in Co Mayo and Ballina Chamber look forward to assisting this company and any others that are willing to consider sustainable development and job creation in North Mayo in any way possible.

We wish Organic Power every success with their proposed development.

Yours truly
