To whom it may concern.

I as Treasurer to CLG Baile an Chaisil welcome your project to Belderrig with open arms. It is wonderful to see some economic activity in our area at long last, especially activity with the enormous environmental and economic benefits which yours entails.

As you are aware Belderrig/ Ballycastle is a small community, with few employment or sporting outlets for parish members. The GAA club is by far the largest voluntary organisation in the parish. Approximately half our players and club officials are drawn from Belderrig, which is a great achievement in itself as the community is so small. GAA has always held a vital role in our parish and this continues to this day.

I would like to offer the services of our club to Organic Power Ltd, in any way which may be of use to you, such as promoting your company locally, or spreading your positive message within our community.

Also if you are interested in sponsoring or supporting any local organisation, this is something we would be very interested in participating in with you. One possible project which you may be interested in is; our club will be hosting the Mayo Comortas Na Gaeltachta Final's next year. This a very prestigious occasion for CLG Baile an Chaisil and we will be hosting up to 10 teams on our pitch next March, for a Gaelic football weekend. As you can imagine, considerable resources will be required to meet this challenge, such as improving the pitch, catering, club facilities etc.

These are a few ideas which may interest you, again the best of luck with your project.

Yours Faithfully,

Eilis McCann
Belderrig,
Ballina,
Co Mayo
